MESSAGE FROM CHAIRMAN

On behalf of my team, I wish everyone a happy and healthy New Year 2022. May this year bring peace of mind, new happiness, new objectives, new achievements and many new inspirations in your life.

Over 18 years of experience in enterprise software development, NITV is always dedicated to value creation across the future and contributes to resolving the world's social issues and improving lives through our innovation and businesses.

We have a passionate and experienced team that does everything possible to deliver as per customer expectations. Despite the outbreak of the pandemic which hindered the growth of the economy, we remain optimistic that this is still the decade of opportunities. We are focused on building

our strategy to provide value-added solutions to our customers.

At this point, I would like to extend my deepest appreciation to our wonderful clients, business associates & great team for their contribution towards the Journey. I would also like to thank my fellow directors & share holders for their loyal support & guidance amidst this tumultuous period.

Your ongoing support and dedication will be greatly appreciated.
