# QUESTIONS WITH EXPERTISE

**ROSHAN THAPA**

**OPERATION MANAGER  
NITV NEPAL LIMITED**

**Dear Well Wisher and Employee, Wishing you a happy and prosperous New Year! Thank you for your hard work and dedication to our company over the past year. Your contributions have been instrumental in our success. Let's work together to achieve even greater success in the coming year. Here's to a happy, healthy, and prosperous 2080!**

## **What Experience Do You Have in Operations Management?**

I have been working in operations management for the past 12 years. In my current role, I oversee the production process and manage a team of 40 employees. Additionally, I have implemented several new initiatives that have helped to improve efficiency and productivity.

## **What were your daily tasks as an operations manager?**

As an operations manager, my daily tasks included budget preparation, facility coordination, inventory control and logistics, employee supervision, and conducting job interviews.

## **What skills do you consider crucial for success in this position?**

- Strong Leadership Skills:
- Excellent Communication Skills
- Analytical and Problem-Solving Skills
- Time Management and Organizational Skills
- Technical Skills

## **How an operations manager be involved with individual employees?**

The operations manager oversees office regulations, discipline, and conflict resolution. They may also handle individual grievances and promote positive communication with employees.

## **What experience do you have with presentations?**

Operations managers communicate effectively within and outside the organization, often representing the company in conferences and meetings. They are highly qualified to present details on growth and expansion plans, current projects, and other prospects.

## ABOUT MIRAI LIFE

Mirai Life, We Care is an innovative insurance plan designed specifically for the expat community residing in Japan. It offers a comprehensive medical insurance plan with added life care benefits in a single package. The service is designed to support multiple languages and provides consultation and application processing services.

Mirai Life's insurance plan, which covers Life Insurance, Health Insurance, and Travel Insurance under one policy, is a convenient and affordable option with a starting price of only ¥ 783 per month.

The plans are flexible and allow for short-term contracts with annual renewals. All types of visa holders, including temporary visitors in Japan, are eligible to enroll in MIRAI life plans via the web without the hassle of paperwork.

MIRAI life Insurance plans are reasonably priced and are tailored to suit the expat lifestyle, making access to insurance for a secure life in Japan possible.

## MIRAI LIFE INSURANCE APP

The NEW IT Venture corporation has developed the Mirai Life Insurance App, which provides convenient access to policies for users. The app is user-friendly and can be easily accessed through multiple login options, such as Facebook, Google, or email.

The app allows users to view their policy details, make modifications to their plan, and keep track of their transactions, bills, coverage time, and other relevant information. Additionally, users can choose from a range of insurance plans and coverage options, and purchase the most suitable one via the app, which is available for both Android and iOS devices.

In the future, the app's roadmap includes a feature that will enable users to file insurance claims easily. By scanning their documents, users can apply for a claim and monitor the progress of their application, including the estimated settlement date. This feature will simplify the claims process and make it more accessible for users.
